Expand Your Horizon! Explore The Possibilities!

Combine all the energy and excitement found in North America’s major performing arts cities with the opportunity to interact and perform with the individuals who bring those cities to life – add the unique flavor of each environment with the opportunity to showcase your Band, Orchestra or Choir in a variety of public performance venues – then mix and mingle with the locals in the many attractions and locations that lend themselves to each cities’ greatness and there you have it – a performance tour you can build your music program on for years to come.

North American Performance Tours are designed with your direct input and guidance, allowing each to be customized and individually priced – meeting the specific needs of your group, educationally, socially and economically. Tours can feature customized performance production, private concert production, as well as public performances for your group at highly visible, prestigious local venues and landmarks. Most feature EPT’s signature music program, “Extraordinary Educational Experiences in Music”. These customized workshops and master classes offer your students the rare opportunity to interact and perform with prominent, dynamic leading members of North America’s major performing arts institutions.

We’ll Put Your Group Center Stage!

Testimonials

“I want to thank you and your company for planning another fantastic trip for my students. Our Educational Performance Tours representative is an absolute angel. Her experience and attention to detail make planning a trip so much less stressful to me as the director. She is also one of the nicest people I have ever had the pleasure of meeting, and that certainly makes the planning experience more enjoyable as well. This is the third trip I have taken with Educational Performance Tours and your staff has done a remarkable job each time!”

– Christopher Gnagay
Performing Arts Chair / Director of Bands
Parkville High School

“We had a tremendous trip to Orlando, and thoroughly enjoyed the experience! Your staff is made up of very special individuals, and I have a great deal of respect for their abilities and their spirit in working with us. If it weren’t for their initiative and flexibility in many areas of our trip, we certainly would not have had the success or tremendous experiences we were able to enjoy/encounter.”

– Doug Earlenbaugh, Director of Bands
Norfolk Christian School
