Program Customization is Paramount

We understand the importance of “program customization” and have instilled that belief in our roster of talent. The featured artist or industry insider chosen to conduct your program will customize each session when they contact you directly, to discuss the goals and objectives of your group. You’ll receive a personal phone call, as well as a complete BIO and headshot. Featured artists are chosen for their warmth and graciousness as well as their ability to motivate, inspire and bring out the best from the students. Their standards are high and they expect that the students are coming for a fun but intensive study experience. Each master class / workshop is 1½ - 2 hours in length with extra time allotted for the featured individual to share details of his or her own career story and answer questions from the students.

In addition to the featured artist, we provide an event host exclusively assigned to your group. This individual is on-site to provide you with peace of mind and ensure that your program runs flawlessly. Our moderators are established New York artists, who truly understand the “business of show business”, why you are there, and what needs to be taken care of.

EXPLORE THE POSSIBILITIES!

Don't Just Reach for the Stars... Sing, Dance & Act with Them!

The Business of Show Business (1 Hour)

Students discuss the important details regarding what is needed to plan for a career in the theatre. The guest speaker is chosen by you, from one of the following areas of the showbiz industry: a cast member from one of Broadway's current hits, a member of the creative team of a current show, a leading NYC casting director, a company manager, or a technical director from a current show – the opportunities are endless! This one-hour program provides students with an invaluable “behind-the-scenes peek” of the steps needed to be taken to make a career in professional theatre a reality.

Meet The Artist Program (1 Hour)

Students get the rare opportunity to meet with a principal actor from the performance they have seen or will be seeing while on tour. Whether a Broadway Musical or Off-Broadway play, this unique experience allows students to interact directly with those who bring theatre to life. This one-hour session features exhilarating private performances, personal “success stories”, backstage anecdotes and memorable career moments in the featured artists' life.

Enjoy an hour-long party (11pm – 12 Midnight) in a reserved, private area of a fun midtown restaurant. Collect autographs, pictures and inspirational memories that will last a lifetime. Snacks and refreshments will be served. Program can be arranged as a pre-theater cast party, inclusive of dinner.

Time is allotted for the featured artists to share details of their own career stories and answer questions from students.

Musical Theatre groups get the rare opportunity to work directly with a principal Broadway “triple threat” and a leading New York vocal and performance coach. Be prepared to get into a Broadway “state-of-mind” during this 2-hour workshop when your students will learn an authentic Broadway Song & Dance combination. Your students will rehearse and perfect the vocals and choreography to a Broadway routine from the show they have or will be seeing while on tour.

The Audition Process / Broadway Bound (2 Hours)

Just how does one get to be a member of a Broadway cast? What is one expected to do at an audition? What is the process all about and how does one prepare? Students get an inside look at how current Broadway stars get their parts. This educational program allows students to take part in a mock audition and receive invaluable critique.
