THE
JOSEPHMAFFEO
FOUNDATION, INC.
“Making Our World A Better Place”

The Joseph Maffeo Foundation is honored to join with Educational Performance Tours in an effort to inspire young performing artists to make a difference with their music.

Joseph Maffeo was a New York City Firefighter who tragically lost his life on September 11, 2001. He was a hero to the people of New York, but more importantly he was a hero to those who knew and loved him. To them, he was a hero not for the way he died, but rather for the way he lived. Joseph Maffeo made the world a better place each and every day of his life by giving of himself and extending a smile. The Joseph Maffeo Foundation continues Joseph's legacy by keeping his spirit alive in those who knew him, and breathing it into those who didn't.

As Joseph Maffeo showed, sometimes the simplest things can make an IMPACT in the lives of others. Your philanthropic performance will do just that. As you stand on stage conducting your ensemble, you can beam with pride knowing that your performance is empowering youth through the arts.

Over the past 15 years, the Joseph Maffeo Foundation has been blessed with the confidence, trust, and support of the New York City community. Through its many projects and affiliations the Joseph Maffeo Foundation has become a widely acknowledged pillar of philanthropy. Building on its established relationships and connections with prominent benefactors in NYC, the Joseph Maffeo Foundation offers a chance to purchase advertisements in the Official Event Concert Program- serving as another opportunity to continue fundraising efforts.
