NYC PERFORMANCE TOURS

PERFORMING FOR YOU

We customize every tour to suit your students' needs!

We truly perform for you, your students, and school administration!

Every Tour Package produced by Educational Performance Tours is customized and specifically designed for your group. In order to price your tour as accurately as possible, we will need your preferred dates of travel as well as the approximate number of individuals (performers, directors, others) who might be traveling. This is also a good time to decide if you will need a Tour Manager for your group. It is also helpful if you have an idea of some of the things you may want to do on your tour, however this is not essential as we would be happy to use our years of experience to put together a customized tour package for you! Our greatest concern is that we address the needs of your group educationally, socially, and economically.

If you dream it up . . . we can make it happen!
