DRAMA WORKSHOPS & MASTERCLASSES

Serious drama students get the rare opportunity to work directly with a leading New York director and acting coach as they present an intense drama workshop. Groups take part in a two-hour program focusing on any one of the following: monologue, improvisation, or stage combat. Time is allotted for the featured artist to share details of their own career stories and answer questions from students.

MEET THE ARTIST PROGRAM

Students get the opportunity to meet with a principal actor from the performance they have seen, or will be seeing while on tour. Whether a Broadway Musical or Off-Broadway play, this unique experience allows students to interact directly with those who will bring theatre to life. This one-hour session features exhilarating private performances, personal “success stories,” backstage anecdotes, and memorable career moments in the featured artist’s life.

We customize every tour to suit your students' needs!

These in-depth programs offer much more than the accepted superficial view of New York City often associated with an ordinary tour. They offer young performing artists "behind the scenes" views into a variety of NYC rehearsal and audition spaces. These venues are exciting elements of the program, enabling students to see where the world's finest performances are actually rehearsed and produced.

THE AUDITION PROCESS / BROADWAY BOUND

Just how does one get to be a member of a Broadway cast? What is one expected to do at an audition? What is the process all about, and how does one prepare? Students get an inside look at how current Broadway stars get their parts. This educational program allows students to take part in a mock audition and receive invaluable critiques. Two wonderful and charismatic Broadway veterans, with the help of their vocal coach and accompanist, present an exciting song and dance program illustrating the depth of their talents and personal approach to important auditions.

Don't just reach for the stars ...

BROADWAY SONG & DANCE WORKSHOP

Musical Theatre groups get the rare opportunity to work directly with a principal Broadway "triple threat" and leading vocal / performance coach. Be prepared to get into a Broadway "state of mind" during this two-hour workshop where your students will learn an authentic Broadway Song & Dance combination. Your students will rehearse and perfect the vocals and choreography to a Broadway routine from the show they have, or will be seeing, while on tour!

... Dance, Sing, + Act with them!

Educational Performance Tours is a full service tour and travel company specializing in custom designed itineraries based on individual needs. We will gladly make suggestions and additional arrangement for local tours, sightseeing, meals, and attractions.

THE BUSINESS OF SHOWBUSINESS

Students discuss the important details regarding what is needed to plan for a career in theatre. The guest speaker is chosen by you from one of the following areas of the industry: cast member from one of Broadway's current hits, a member of the creative team from a current show, a leading NYC Casting director, a company manager, or a technical director from a current show! The opportunities are endless!

Make your dreams a reality!

PRIVATE AFTER SHOW CAST PARTY

The show may have ended, but the night has just begun! Forget waiting around at the stage door. Instead, have the stars come out just for YOU! Experience this truly once-in-a-lifetime experience as you mix and mingle with the individuals who bring Broadway and theatre to life! Enjoy an hour-long party (11pm- midnight) in a reserved, private area of a fun mid-town restaurant. Collect autographs, pictures, and inspirational memories that will last a lifetime. Snacks and refreshments will be served.

**Program can be arranged as a pre-theatre cast party, inclusive of dinner.*
