

Don't just reach for the stars . . .

The Opportunities Are Endless!

These exhilarating workshops and master classes offer your students the rare opportunity to interact and dance with dynamic leading artists from major performing arts companies throughout North America- including current Broadway dancers and choreographers, as well as principal members of Alvin Ailey, Martha Graham, the Joffrey, the NYC Ballet, the world famous Radio City Rockettes, Lou Conte, Gus Giordano, Joel Hall & Ruth Page, Millennium Dance Complex, the Edge PAC, Debbie Allen Dance Academy, ODC and the San Francisco Dance Center, as well as numerous television and music video personalities- the opportunities are endless!

Program Customization Is Paramount!

We understand the importance of "program customization" and have instilled that belief in our roster of talent. The featured artist chosen to conduct your program will customize each session when they contact you directly to discuss the goals and objectives of your group. You'll be in personal contact with your featured artist when you receive their complete Bio & Headshot prior to your tour. Featured artists are chosen for their warmth and graciousness as well as their ability to motivate, inspire, and bring out the best from students. Their standards are high and they expect that students are coming for a fun, but intensive study experience.

You Never Know Who You Might Bump Into!

These in-depth programs offer much more than the accepted superficial view of each local city, often associated with an ordinary performance tour or adjudication. They offer "behind the scenes" views into a variety of rehearsal and audition spaces. These venues are exciting elements of the program, enabling students to see where the world's finest performances are actually rehearsed and produced. It easily becomes one of the most memorable parts of their tour- you never know who you might bump into! When you choose to participate in one of our "Extraordinary Educational Experiences in Dance" you can rest assured you are exposing your students to a "once in a lifetime dance experience" they will draw on for a lifetime.
