Students get the opportunity to meet with a principal actor from the performance they have seen, or will be seeing while on tour. Whether a Broadway Musical or Off-Broadway play, this unique experience allows students to interact directly with those who will bring theatre to life. This one-hour session features exhilarating private performances, personal “success stories,” backstage anecdotes, and memorable career moments in the featured artist’s life.

Explore the possibilities!

We customize every tour to suit your students' needs!

These in-depth programs offer much more than the accepted superficial view of New York City often associated with an ordinary tour. They offer young performing artists "behind the scenes" views into a variety of NYC rehearsal and audition spaces. These venues are exciting elements of the program, enabling students to see where the world's finest performances are actually rehearsed and produced.

THE AUDITION PROCESS / BROADWAY BOUND

Just how does one get to be a member of a Broadway cast? What is one expected to do at an audition? What is the process all about, and how does one prepare? Students get an inside look at how current Broadway stars get their parts. This educational program allows students to take part in a mock audition and receive invaluable critiques. Two wonderful and charismatic Broadway veterans, with the help of their vocal coach and accompanist, present an exciting song and dance program illustrating the depth of the talents and personal approach to important auditions.

Don't just reach for the stars ...

BROADWAY SONG & DANCE WORKSHOP

Musical Theatre groups get the rare opportunity to work directly with a principal Broadway "triple threat" and leading vocal / performance coach. Be prepared to get into a Broadway "state of mind" during this two-hour workshop where your student will learn an authentic Broadway Song & Dance combination. Your students will rehearse and perfect the vocals and choreography to a Broadway routine from the show they have, or will be seeing, while on tour!

... Dance, Sing, + Act with them!

Educational Performance Tours is a full service tour and travel company specializing in custom designed itineraries based on individual needs. We will gladly make suggestions and additional arrangement for local tours, sightseeing, meals, and attractions.
