# *Immerse your students in the magic with the artists who bring Broadway to life!*

This unique & exciting one day music experience in the performing arts capital of the world features our signature music programs, “**Extraordinary Educational Experiences in Music**” - an array of customized workshops and masterclasses led by a roster of world class clinicians, composers, and current Broadway performers. The **Magic of Broadway** will surely raise the level of your students’ performance and love for the arts! Our unparalleled connections and relationships with the best and brightest talent in New York City allow us to inspire and educate young performing artists taking them to new heights in their educational music performance lives.

## Extraordinary Educational Experiences

*Customized Workshops & Master Classes*

Customized Instrumental Masterclass

We understand the importance of “program customization” and have instilled that belief in our roster of talent. The featured artist chosen to conduct your program will customize each session when they contact you directly to discuss the goals and objectives of your group in advance of your trip. You will receive a personal phone call, as well as a complete bio and headshot!

When you choose to participate in the **Magic of Broadway**, you can rest assured you are exposing your students to once in a lifetime music experiences that they will draw on for the rest of their music career. Artists are chosen for their warmth and graciousness as well as their ability to motivate, inspire and bring out the best from your students - the opportunities are endless!
