- Prepared Monologue
- Acting the Song
- Improvisation
- Stage Combat
- Puppetry

★ **BROADWAY SONG & DANCE WORKSHOP**

Musical Theatre groups will work directly with a principal Broadway "Triple Threat" and a leading vocal performance coach. Students will learn, rehearse, and perfect the vocals and choreography to a Broadway routine, followed by a Q&A!

★ **BUSINESS OF SHOW-BUSINESS**

Students will be met with a panel of industry insiders to discuss the important details to plan a career in theatre. Guest speakers & panelists are chosen by you from the following areas of the industry:

- Cast Member on Broadway
- Costume Designer
- Casting Director
- Technical Director
- Talent Agent

*Don't just reach for the stars . . .
Talk with them - Meet with them - Dance with them!*

★ THE AUDITION PROCESS

Students get an inside look at the process that current Broadway Stars undergo to get their parts! Just how does one get to star on Broadway? What is expected at an audition?

Students will take part in a mock audition and receive invaluable critiques, advice, and helpful tips to pursue a career in the industry. Artists will present an exciting piece for students to “audition with” as they demonstrate the process step by step, and provide their personal approach to important auditions!

★ PRIVATE CAST PARTY

The show may have ended, but the night has just begun! Forget waiting around at the stage door - instead, have the stars come out just for YOU! This is truly a once in a lifetime experience as your group will get to mix & mingle with the individuals who bring Broadway to life! Enjoy an hour long party in a reserved, private area of a mid-town restaurant!

**Program can be arranged as a pre or post theatre cast party*

EXPERIENCE NYC THE EPT WAY!

Every Tour Package produced by Educational Performance Tours is customized and specifically designed for your group. In order to price your tour as accurately as possible, we will need your preferred dates of travel as well as the approximate number of individuals (performers, directors, others) who might be traveling. This is also a good time to decide if you will need a Tour Manager for your group. It is also helpful if you have an idea of some of the things you may want to do on your tour, however this is not essential as we would be happy to use our years of experience to put together a customized tour package for you! Our greatest concern is that we address the needs of your group educationally, socially, and economically.

“ *EPT is an absolutely outstanding Tour Company that really cares about getting the best possible experience for their clients. It's clear not one dollar that we paid was wasted. Our workshops were wonderful & the artists created a fun, safe, welcoming space for our kids to feel vulnerable, silly, and be able to take away so much from the class! We will be planning a tour with EPT every other year!!*

*Emmanuel Marquez, Riverside Children's Theatre
Riverside, CA*

“ *I can't even begin to express just how fantastic our trip to NYC was. Overall, we all absolutely loved the tour and thought that EPT was absolutely phenomenal - beyond organized and easy to work with. Truly a blessing when working with a group, either big or small. This was a phenomenal trip and I can't wait to work with you again. EPT is a MUST TRAVEL WITH! Thank you for making this trip so successful for us.*

*Travis Burch | Alexandria Sr. High School
Alexandria, LA*

“ *Our EPT Tour Director was absolutely amazing and answered every single crazy, detailed question I asked (and there were probably a hundred of them!) Our two workshops were awesome. Our artist & clinicians were rockstars: so kind, patient and make our students feel special. We absolutely loved traveling with EPT. Everything was incredibly organized and well thought out. The students had SO much fun. Thank you for such a wonderful experience.*
