**WE PERFORM FOR YOU,
YOUR STUDENTS, + YOUR ADMINISTRATION!**

Every Tour Package produced by Educational Performance Tours is customized and specifically designed for your group. In order to price your tour as accurately as possible, we will need your preferred dates of travel as well as the approximate number of individuals (performers, directors, others) who might be traveling. This is also a good time to decide if you will need a Tour Manager for your group. It is also helpful if you have an idea of some of the things you may want to do on your tour, however this is not essential as we would be happy to use our years of experience to put together a customized tour package for you! Our greatest concern is that we address the needs of your group educationally, socially, and economically.

“

Our trip to NYC was absolutely outstanding!!! We loved every minute of it. Our planning process & Tour Manager once we got to NYC was amazing, and I can't thank EPT enough for all the shows, masterclasses & tours they planned for us. I'm happy to be a spokesperson for anyone who needs feedback on their tours - it was the best thing we've ever done!

“

Five days of dancing, sight seeing, shopping and watching magical performances. Every dancer came out of classes smiling. Getting to stand in the room & on the number line each Rockette has been, was a dream come true! Every restaurant handled our large group exceptionally well so we didn't miss a moment. Our hotel was exceptional. This tour was an experience of a lifetime that our dancers will never forget. Thank you to EPT for making this incredible experience possible.

“

Thank you for everything. Our students are still raving about how much fun they had. They loved every moment & this tour was a life changing experience for them. My EPT Tour Director was the BEST - professional and efficient in getting back to me on any and everything! Our Tour Manager once in NYC, was so patient with our group and made sure everything was perfect.
