Performing For You!

Behind the lights, glamour, and fame, it's not *who* you know but *what* you know! Lots of hard work, determination, and tenacity are the fundamentals of a successful career in the world of dance.

Experience a weekend immersed in the professional dance industry and get up close and personal with featured artists from [Broadway](#), [Alvin Ailey](#), the [New York City Ballet](#), and the world famous [Rockettes](#) who will not only encourage dancers to chase their dreams, but also shed light on how to turn those dreams into a passion worthy of leaving a lasting legacy.

Legacy – when will yours begin?

Legacy offers dancers an intimate, in-depth experience with accomplished artists. It's much more than the superficial view of dance intensives often associated with the ordinary convention or competition. Legacy gives dancers a "behind the scenes" view into real NYC rehearsal and audition spaces where performances and shows are actually rehearsed and produced.

“ Thank you so much for the most amazing experience of my life. I realized so many new things and learned so much. I have a new perspective on life that I am so excited about. My lifelong goal is to become a Rockette. I've always wanted it, and it seemed so far away but now that I've had this experience I realize that it's not. It is completely possible! I've now seen how many opportunities are out there, I just have to find them. This program was truly life-changing for me.

FAQ's

Q Is there a minimum number of participants required from my studio?

There is NO minimum requirement for your studio or school's participation in LEGACY. However, in order to provide a complimentary package for the Director, we require 20 participants.

Q What are the dance level requirements & minimum age requirements?

In order to keep our classes of the highest standard and quality, we require dancers to be of an intermediate level (2-3 years of dance experience). Students come from across the country from every dance background. Ages range from 10 and up.

Q How many dancers participate in each workshop & masterclasses?

In order to keep the quality of each program at its highest, our classes are kept to 40-60 dancers. Should your chosen event weekend exceed these numbers as in the past, multiple concurrent dance workshops will be arranged.

Q Do non-dancers pay the same amount as participating dancers?

All individuals involved in LEGACY Dance Event are included as participants in Broadway Bound Experience. However, non-dancing participants are not included in the "A Day in the Life" program. All non-dancers will receive a \$50 credit.
