FEATURED NYC DANCE EVENT

A photograph of three young women in a dance studio, captured in a dynamic pose. They are wearing athletic wear like crop tops and leggings. The studio has large windows and a mirror wall. The text '2024 LEGACY' is overlaid on the image, with '2024' in purple and 'LEGACY' in large white outline letters. Below it, the phrase 'When will yours begin?' is written in a light blue script.

2024 LEGACY

When will yours begin?

LEGACY is for dancers who aspire for more than a medal or trophy on their shelf - they crave the knowledge and experience that working with a professional can give them. During our program, your dancers will learn firsthand what it takes to make it in this competitive industry. **LEGACY** offers young dancers an intimate, in-depth experience with accomplished artists featured in Broadway Productions, The New York City Ballet, The World Famous Rockettes, Alvin Ailey Dance Theatre, Broadway Dance Center, STEPS on Broadway, as well as television shows and cutting edge music videos! **The opportunities are endless at LEGACY . . .**

We customize every tour to suit your students' needs!

We truly perform for you, your students, and school administration!

Every Tour Package produced by Educational Performance Tours is customized and specifically designed for your group. In order to price your tour as accurately as possible, we will need your preferred dates of travel as well as the approximate number of individuals (performers, directors, others) who might be traveling. This is also a good time to decide if you will need a Tour Manager for your group. It is also helpful if you have an idea of some of the things you may want to do on your tour, however this is not essential as we would be happy to use our years of experience to put together a customized tour package for you! Our greatest concern is that we address the needs of your group educationally, socially, and economically.
